GENERAL INFORMATION

PRODUCT WARRANTY

PRODUCT WARRANTY

Berklee Limited guarantees against faulty materials or workmanship the products listed in the Schedule below for the warranty period as stated.

Products rendered unserviceable because of backfire are not covered by warranty.

The warranty period shown on the Schedule commences from the date of sale of the part by the customer who originally purchased the product from Berklee Limited.

If the product within the warranty period is found upon examination by representatives of Berklee Limited to be defective due to faulty material or workmanship, it will be replaced free of charge subject to the following conditions:

- (a) Product to be replaced must be returned to place of purchase or the Berklee product distributor in your state together with a copy of the retail sale or fitting invoice showing date and place of purchase / fitment.
- (b) Misuse, improper installation, accident or neglect will render this warranty void.
- (c) The cost incurred in freight, dismantling or reinstalling the component are not covered by this warranty.
- (d) This warranty does not exclude any rights or remedies conferred on the consumer by the Competition and Consumer Act 2010 or State laws.

PLEASE NOTE

The illustrations contained in this catalogue are a guide to product identification and vehicle fitment. Genuine part numbers shown are for the purpose of cross reference only and should not be used for ordering or invoicing.

All part numbers with the letter prefixes BE, BI, BM, & BT are fully manufactured by Berklee Limited.

Whilst every endeavour has been made to ensure the accuracy of product information, no responsibility will be accepted in the event of incorrect listings in this catalogue.

EXHAUST NOISE

Responsibility for a noisy vehicle does not lie with the exhaust manufacturer or distributor, the onus rests with its owner. This should be pointed out at the time of fitting or at the point of sale.
